Light/Medium Duty Cord Reels

Reelcraft's new line of light and medium duty cord reels are designed for less strenuous applications in which a capable and long-lasting reel is required. The reels accommodate lengths of 16/3, 14/3, 12/3, and 10/3 diameter cable.

Series LD Cord Reels

Designed for overhead mounting, these reels are compact, feature a powder coated steel housing, adjustable cable stop and a resettable circuit breaker.

Model with Cord	Cord Ending	Cord Specifications						Volts	Amps	Weight		Size Index #
		AWG	mm	# Cond	ft	m	Type			lbs	kg

LD2030 143 9	Style 9	14	2.08	3	30	9	SJTW	125	13	9	4	1

*Requires a minimum of five feet hanging cable (outside reel). Designed for ceiling mount.

Series LG Cord Reels

The medium duty Series LG cord reels are constructed from high-impact resistant composite materials to be lighter and compact. They may be mounted overhead, on a wall or detached from the mounting bracket completely. They also feature an adjustable cable stop and a circuit breaker that can be reset.

Model with Cord	Cord Ending	Cord Specifications						Volts	Amps	Weight		Size Index #

Cord Options

Style #2

13 watt fluorescent light features a durable shock-resistant lamp holder and shatter-resistant tube with switch.

Style #8

13 watt fluorescent light features an on/off switch on the handle and an outlet.

Style #9

Triple outlet with grounded receptacles. For maximum ratings, consult manufacturer.

Products on this page are warranted for 1 year.

Light cord reels are UL listed for the United States. Power cord reels and hand crank reels are UL listed for United States and Canada.

Better by Design

Adjustable Bumper Stop

Allows any desired length of cord to be maintained outside the reel.

Corrosion-Resistant

Steel components are individually powder coated to virtually eliminate corrosion.

Reelcraft offers many styles of outlets and lamps

- Single receptacle
- Duplex outlet box
- Triple tap
- R.V. plug
- Fluorescent
- Incandescent
- LED
- Flying lead

Easy to Mount

Attaches to most structurally sound surfaces. Edges are curved for safety.

Note: Swing brackets should be used if cords are pulled at more than 45°.

Adjustable Guide Arm

Multiple guide arm positions for versatile uses and easier field adjustment.

Enclosed Drive Spring

Drive mechanism is enclosed for protection against the environment.

Long Life Drive Spring

Declutching arbor virtually eliminates possibility of spring damage due to reverse winding of reel spool.

Structural Strength

Robotically welded heavy gauge steel frame.

Model Number Significance

This chart is for reference purposes only. Reels cannot be ordered by selecting from this chart. Please refer to selection charts on pages 4-5 or consult manufacturer for any questions about option combinations.

Static Discharge/Grounding Reels Series G

Static discharge reels are used to ground equipment operating in hazardous atmospheres, such as fuel trucks or carts transferring flammable materials. When properly clamped to ground, the static discharge reel dissipates static electrical buildup, reduces chances of sparking and the potential for explosion.

Heavy Duty Cord and Cable Storage Reels

Cord/Cable Storage Reels

Cord and cable storage reels are used for storage, unwinding and winding of conductive cord/cable. The reel is not intended to be live and the power source must be disconnected while reeling/de-reeling to avoid twisting the wires. Series 30000 cable storage reels are available in hand crank only.

Live Power Cord Reels

Live power cord reels have collector rings that allow the reel to wind/unwind the cord/cable with live current without twisting the wires. Series 30000 live power cord reels are available in direct hand crank, bevel gear crank or electric motor-driven rewind.

Medium Duty Spring Retractable Reels

Series RT

Series RT is an economical choice for a medium duty, lighter weight, spring-driven hose reel for applications that are less demanding, yet require a product that can withstand industrial and commercial use. The industrial-grade drive spring is protected from the environment in a polypropylene spool for longer service life. Guide arm adjusts to seven positions.

Premium Duty Spring Retractable Reels

Series 4000, 5000 & 5005

Series 4000, 5000 and 5005 reels are all-steel construction and compact for a wide range of applications with critical space requirements. A full flow shaft and swivel assures maximum product delivery. Guide arm adjusts to two positions. The standard low pressure hose is for air or water service only.

Hose included. Additional models available as standard, contact manufacturer or go to www.reelcraft.com for master catalog listing.

Heavy Duty Industrial Spring Retractable Reels

Series 7000

Series 7000 is ideal for the most demanding applications. The reel's base and guide arms are formed from high-grade steel and engineered with structural forms and gussets to yield the greatest amount of strength. The Series 7000 incorporates all steel construction and a baked-on powder coat finish to produce a rugged corrosion resistant product suitable for a wide variety of heavy duty applications.
